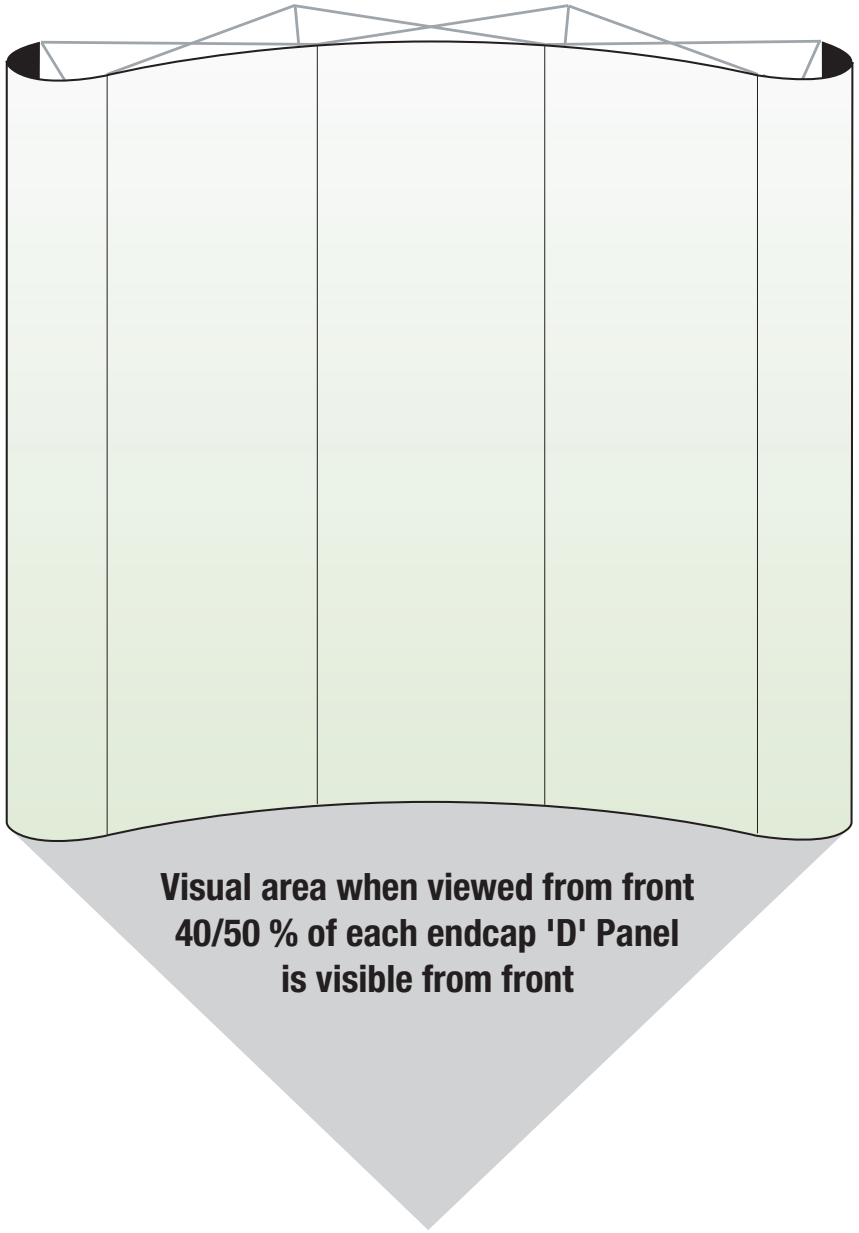
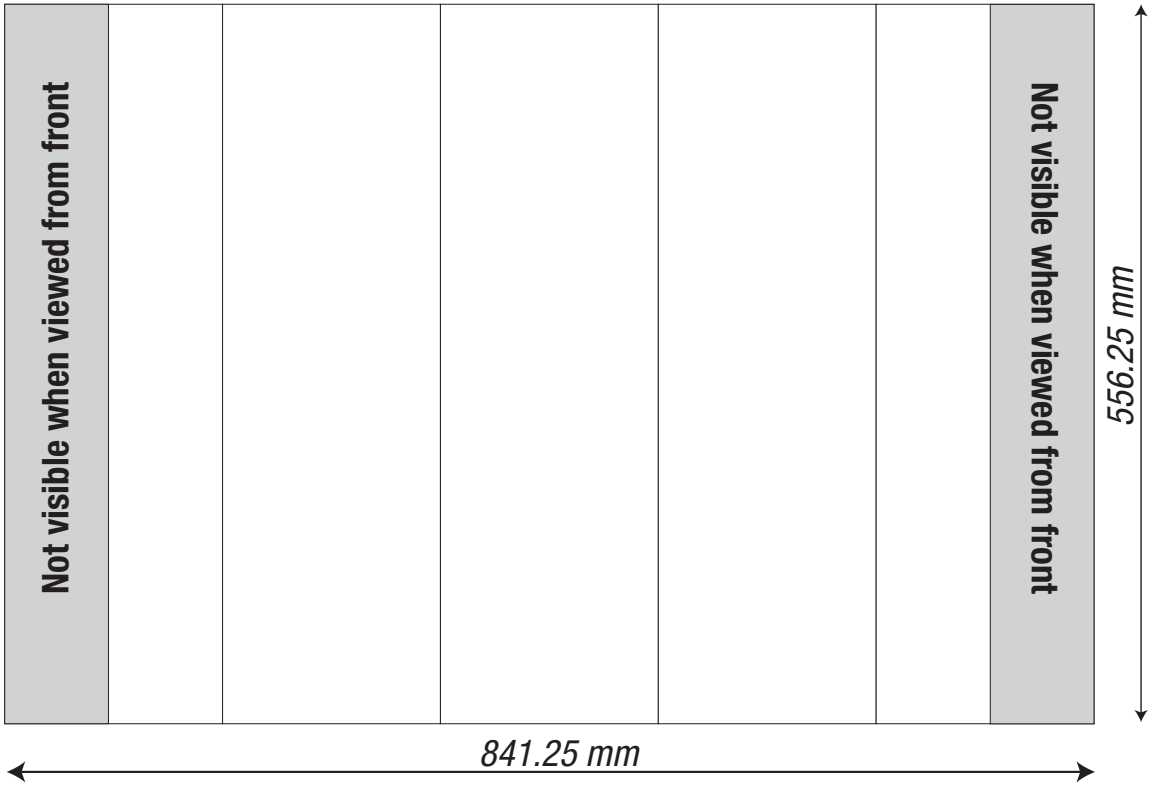
Pop Up Artwork Guide



Example:- 3x3 Evolution Artwork @25%



- Avoid place text or logo's within the shaded area,as this will not be seen from the front of the popup
- Avoid small text or logo's under 25mm (1") over joins,as we can not guarantee that these will line up accurately
- Please use templates provided for download from our website under the Download section, we have cover all DTP software,QuarkXpress, Indesign CS, Illustrator & Freehand, These are all at 1/4, 25% scale.
